Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action dated July 14, 2004, Applicants submit the following remarks.

Claims 1-7 are all the claims pending in the application.

Claims 1, 5, and 7 stand rejected under 35 U.S.C. 103(a) as being unpatentable over USP 5,923,736 to Shachar in view of USP 5,903,832 to Seppanen et al. Claims 2-4 and 6 stand rejected under 35 U.S.C. 103(a) as being unpatentable over Shachar in view of Seppanen, and further in view of USP 6,336,137 to Lee et. al. Applicants respectfully traverse these rejections, and request reconsideration and allowance of the pending claims in view of the following arguments.

Claim 1 of the present application recites a method of managing the operation of a mobile terminal in a telecommuniations network, wherein the mobile terminal is designed to operate selectively in a telephone call mode or in a navigator mode, and the method comprises the steps
